Property Details

A beautiful, family home available to rent for the first time after an extensive refurbishment. Located just off Brixton Hill in one of the areas most sought after, lovely, quiet pockets of residential streets and just minutes away from all that central Brixton has to offer makes this property a perfect opportunity for both families or sharers alike.

There is ample space throughout for a comfortable lifestyle and having gone through full refurbishment you have the advantage of new fixtures and fittings throughout. Entering on the ground floor you will find the welcoming living room with bay window overlooking the pretty front garden. Through towards the rear you go past a downstairs WC and through to the spacious brand new kitchen / diner which is flooded with natural light. Out through double sliding doors and you are in the well kept private garden which lends itself perfectly to summer entertaining and relaxing. Upstairs you have two very large double bedrooms and third, smaller double along with the family bathroom (yes, you guessed it - all brand new) and the top floor loft has been converted into a superb double bedroom along with a second sizeable shower room. A huge benefit comes in the form of solar powered electricity to help keep those pesky bills down!
