Property Details

A two double bedroom flat with a garden and garden office, within a semi-detached Victorian house on a quiet no through road. Split over the upper floors for light and privacy, this beautiful home has been upgraded creating a balance of contemporary design with character, including wooden floorboards, sash windows and a Sheila maid. An expansive reception is flooded with natural light in which to unwind or entertain at the dinner table. Wrapping around to a recently fitted kitchen, well-equipped whilst not interrupting the natural light. A second dining area under the window has garden views. Set on differing floors to the rear of the property are two generously sized double bedrooms of similar proportions with garden views, carpets and fitted wardrobes, each with a bathroom adjacent. Vibrantly stylish, one bathroom has a walk-in shower, the other is neutral with a bathtub. The flat had new windows in 2018 and boiler in 2019. There is a storage loft with precedent set should the new owner wish to seek permissions to extend. The private garden is set away from surrounding properties, a sunny spot with a versatile garden room with electricity.
