Property Details

This three/four bedroom Victorian terraced house is packed full of potential, with an abundance of living space and a sunny private rear garden. The layout is versatile: a blank canvas and an excellent opportunity for anyone looking to stamp their own mark on a property rather than pay a premium for someone else's taste in style. There is also potential to extend, subject to the necessary permissions, into the side return or up into the loft. The property is situated in an extremely popular residential pocket of roads within a short walk from amenities in both Brixton and Herne Hill.
