Property Details

A beautifully renovated two double bedroom garden flat occupying the ground floor of an attractive Victorian conversion. Extensively upgraded by the current owners, it combines period charm with contemporary design to create a stylish, move-in-ready home. The heart of the property is a stunning open-plan kitchen, dining and reception room, extended in 2023 to provide a bright entertaining space with skylights and French doors opening to the garden. Designed for keen home cooks, the kitchen features integrated appliances, Artemistone worktops, ample storage and a breakfast island, while engineered hardwood flooring runs throughout. The private rear garden is a low-maintenance sun trap, ideal for outdoor dining and relaxation, while the front garden also belongs to this property and includes a bike loop. A versatile front room, currently used as a second lounge, could serve as a principal bedroom, guest room or office. The second double bedroom sits adjacent and both retain original Victorian features, including cornicing, floorboards and a fireplace. A stylish bathroom, spacious cellar, uprated electrics, hardwood double glazing and bespoke shutters complete this exceptional home.
