Property Details

An appealing one double bedroom apartment with its own private entrance and access to a patio garden, tucked within a modern end-of-terrace building. The apartment opens into a spacious open-plan living area, thoughtfully designed to maximise every inch. A wrap-around kitchen provides generous storage and worktop space, naturally framing the dining area and creating a sociable setting for entertaining. The comfortable reception enjoys glazed doors opening onto the patio, filling the room with natural light. The low-maintenance patio offers space for al fresco dining and potted planting, enclosed by high walls for a peaceful feel. Although shared by residents, it is rarely used as neighbouring apartments benefit from private balconies. The generous double bedroom overlooks the patio through full-height glazing, with space for wardrobes. Completing the home is a contemporary bathroom with marbled tiles, a rain shower over the bath, heated towel rail, vanity storage and an additional hallway cupboard.
