## Property Details

A stunning three-bedroom Victorian terraced house perfectly located meters from Ruskin Park. The current owners have lovingly refurbished this property, using contemporary styles whilst keeping many of the original Victorian features. As you enter the property you are greeted by a dual-aspect reception room with high ceilings, two feature fireplaces and exposed wooden floorboards. The eat-in kitchen is a real talking point in this property, having been fully extended to make use of all available space, with Velux windows running down one side of the room, flooding it with natural light. The kitchen has been finished to a very high standard, with newly fitted fixtures and fittings, all cabinets have been fitted with Buster and Punch hardware and Miele and SMEG kitchen appliances. The bi-folding doors seamlessly flow into the garden to bring the outside indoors, the garden has been completely landscaped and conscientiously designed using Patricia Urquiola tiles. Chelsea Garden Builders proudly won a 'Garden design award' for the design of this garden!
