Property Details

This particular property benefits from a quiet and private location away from the busy main road. The reception room at the front of the property is flat formed with high ceilings and plenty of natural light thanks to the bright bay window. The galley kitchen has all you need in terms of storage and if the bedroom was relocated to the front, the area at the rear could be opened up to create a spacious open plan kitchen and reception room, subject to the necessary permissions. The kitchen opens out onto the private and west-facing mature garden, an oasis of calm and birdsong, the perfect spot to enjoy in the warmer months and watch the sun go down in the evenings. The double bedroom is bright and tucked away quietly to the rear of the property with views over the garden, served by a modern and tastefully decorated bathroom.
