

Lambert Road, SW2

2 bedroom flat - conversion for sale

£565,000

Share of Freehold

Property Details

The flat comprises an impressive open-plan living space, which like the rest of the flat is finished to a luxuriously high degree. Traditional wooden shutters frame the multiple windows that allow this large room to be flooded with natural light and air, on one side a fully integrated sleek kitchen and on the other a cosy living area. The large bay window offers a built-in window seat, the perfect spot for dining. This lovely room feels like a high-end home and provides an ideal space for relaxing and unwinding or entertaining guests. Adjacent to the living area, one of the first two well-appointed double bedrooms, complete with built-in storage and a convenient modern en-suite bathroom. The second bedroom, also offering good proportions and residing peacefully at the rear of the property also benefits from good built-in storage and has a family sized bathroom located ideally next door. The separation of the two bedrooms provides a desirable level of privacy, making this flat ideal for anyone looking to share with friends or rent the spare room. The entrance hall also offers a large storage cupboard and is spacious enough to create the feeling of a true home on entering the property.
