

Fyfield Road, Brixton, SW9

2 bedroom flat - conversion for sale

£575,000

Property Details

The impressive open-plan reception is the heart of this home, pretty sash windows and an exposed brick chimney breast honour the character of the period in which the original building was erected, combined with a double-height ceiling, the entertaining space has a real wow-factor and a unique appeal. The room provides ample space to relax, unwind, dine and entertain, feeding through to a modern and partially integrated kitchen, offering plenty of storage options and enough surface space for even the most chaotic of cooks. The first of two well-proportioned bedrooms is tucked away to the rear of this floor, conveniently adjacent to a sleek family-sized bathroom and finished with a lovely Juliet balcony, flooding the bedroom with natural light and fresh air. The second bedroom is arranged over the top floor, isolated and peaceful, with plenty of space for storage and access to an en-suite bathroom.
