Property Details

A handsome reception room at the front of the property is particularly appealing. A bright and airy space, bursting with character from the bay window, corniced ceilings and feature fireplace. The room is large and feeds through to one of the three bedrooms via pretty French doors. Ample bespoke storage and generous dimensions allow for a fantastic space. The second bedroom sits adjacent on the other side of the reception, similar in size and also offering built-in storage. The third bedroom is tucked towards the rear and would also be ideal as a home office or guest bedroom if required. Nestled at the rear of the building, a well-distributed kitchen and dining room, perfect for hosting dinner parties and entertaining guests as the rooms are connected. The kitchen offers ample storage options and surface space. A family-size bathroom completes the property.
